Welcome to Little Disciples Childcare!

Croeso i Disciples Bach!

"Caring for children, supporting parents, and sparking imaginations - where quality, affordability, and excitement meet!"

We're so excited to welcome you and your child to our wonderful school community. As you prepare for this important next step, we'd love to introduce you to Little Disciples Childcare, our trusted wraparound care service based here at St. John's.
Let us support your family with high-quality, nurturing childcare - right where your child will feel most at home.

All About Us!

Little Disciples opened in September 2015 initially as an afterschool club. Over the years, we have expanded our business to include a breakfast club and a holiday club.

In September 2023, we further expanded and now offer Nursery Plus & Wrap Around Care for children in Nursery.

We currently run two services: "Little Disciples Nursery Plus" and "Little Disciples Afterschool & Holiday Club." Our Nursery Plus can look after up to 15 children at a time, and our afterschool and holiday club can care for up to 38 children.

Our service is managed by a committee, with the day-to-day operations overseen by our manager, Mr. Sam Gocher.

In our latest questionnaire to parents, 83% rated us as an 'Excellent' setting, and 17% rated us as 'Good'.

Parent Feedback

"Thanks for providing a great service. My child is always excited about attending"

My child has come on so well since being within the setting. He has come home telling us about his yoga he's completed and the awareness of feelings towards others. There have been times where he has fallen over etc. but his wellbeing has been prioritised and it is so heart warming to know he is so well looked after.

The staff are an absolute credit to the service.

"The management are a credit to the setting. There is clear communication to parents from the setting and for new parents to the school we have been made to feel welcome, with no question to small.

The team supporting are kind, caring and supportive. My child has settled into the setting without a hiccup since September. And that's down to the leadership in the setting."
